DETAILED ACTION

Election/Restrictions

Claims 5-10 remain withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected group, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in the reply filed on 5/6/2005.

This application contains claims 5-10 drawn to an invention nonelected with traverse in Paper No. 5/6/2005. A complete reply to the final rejection must include cancellation of nonelected claims or other appropriate action (37 CFR 1.144) See MPEP § 821.01.

Claim Rejections - 35 USC § 102

Claim 24 remain^s rejected under 35 U.S.C. 102(e) as being anticipated by Rappuoli et al WO 2004/092360. Applicant asserts that the sequence disclosed in the reference is applicant's own work. However, this is presented as mere argument of counsel. To quote from MPEP 716.01(b):

The arguments of counsel cannot take the place of evidence in the record. *In re Schulze*, 346 F.2d 600, 602, 145 USPQ 716, 718 (CCPA 1965). Examples of attorney statements which are not evidence and which must be supported by an appropriate affidavit or declaration include statements regarding ... invention before the date of the reference, and allegations that the author(s) of the prior art derived the disclosed subject matter from the applicant.

Therefore, the argument is not convincing and the rejection is maintained.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
